Hi my name is  
Penny and I'm  
money to be  
spent!

Count me by ones  
because I'm  
worth 1 cent.

Hi my name is  
Nickel, but my  
friends call  
me Nick!

Count me by 5's,  
it's a really neat  
trick.

Hi my name is  
Dime, and I'm  
smaller than my  
friends!

When you add  
me up, you count  
me by 10's.

Hi my name is  
Quarter! I'm big  
and I'm funny.

25 is what I'm  
worth, and  
that's a  
lot of money!
