

Kiddie Land

Adding 10 Game

Prep: Print. Tape gameboards together.
Cut out cards, shuffle, and place face down.

Play: Roll a die and move to space shown. If it is "pick a card" space, draw a card and solve. If you get the correct answer, you may stay on that space. If not, go back. If it is a "ride" move to that space. The first player to reach Finish is the winner.
