

Short Vowel Word Family Puzzles

By Marjorie Sheridan

©Ms 2014

Building short vowel word family puzzles is a simple and engaging way for students to practice short vowel sounds. Each short vowel set comes with a word family recording sheet and puzzle answer key.

Prep: Print and carefully cut each set. **If multiple vowel sets will be used together, be sure to print each set on a different colored paper to avoid mix-ups.**

An answer sheet is included for each vowel set. Have your student try to build the words, then refer to the answer sheet to check their answers.
