

Grade 1  
Unit 1  
Math Skills  
Practice Pages

These "Practice Pages" were created for students to review and maintain skills taught during the first quarter (Unit I) of our first grade math year. I introduce them only when all of the skills have been taught.

These pages are great for homework or classwork and are helpful to see when someone is having difficulty with a particular skill!

Often after correcting one set of pages, I can call an individual or small group together on the spot to reteach a skill or correct a minor misunderstanding.

## Unit I Skills:

Place Value I.NBT.2

Coins (I.D.) I.MD.MA.5

Time to the Hour I.MD.3

Ordering Numbers I.NBT.1

Number Line Strategy I.OA.1

Data and Graphing I.MD.4
